## Trinity Welcomes Christian Singer and Songwriter

### David Ashley

This Sunday, June 13<sup>th</sup>  
9:45 Worship Service

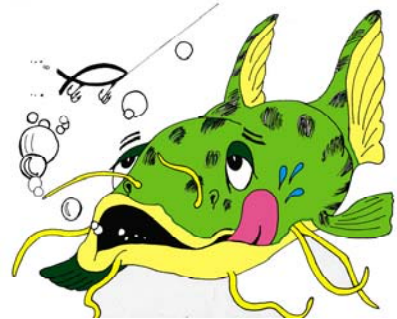

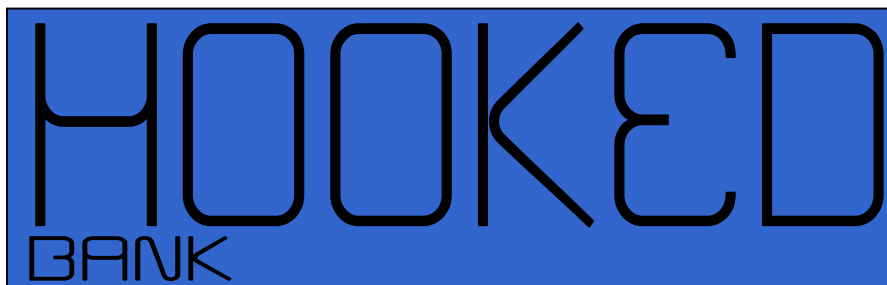

David Ashley is a 25-year-old recording artist from Huntsville, Alabama who has written and recorded his debut album entitled, Character Appreciation. The sounds and styles of his work have been compared to the likes of artists such as John Mayer and Jack Johnson. We are excited to have David here to lead us in worship this Sunday for our 9:45 Contemporary Service.

After an exciting time of praise and worship, Joe will conclude his series "Life's Healing Choices" with a message entitled "How to Recover My Joy." Join us!

**Informal Pictorial Directory News**

Many of you know we have been in the process of taking informal pictures for our in-house pictorial directory. Trinity is excited to have Ked Drake, one of newer members, agree to be available to take pictures. **Ked will take family photos at your convenience, on Sunday mornings in the Breezeway.** Your picture can be taken as you arrive or depart from church, or between Sunday School and church. **If you would prefer to schedule a time during the week for your photo, call the church office.** The directory is a work-in-progress and we appreciate your participation.
